Farklı bir tasarım ile geliştirdiğimiz, güneş enerjisi ile çalışan çok fonksiyonlu bu ürünümüz, vantilatörleri sayesinde yazın sıcak havalarında serinletme özelliğine sahiptir. Ekstra bu özelliğinin yanı sıra usb sarj, wifi, gece aydınlatması ile açık alanlarda hayatımıza renk katmaktadır. Dört tarafında bulunan billboard ile de gerek reklam gerek duyuru ile geniş kitlelerle iletişim sağlamanıza yardımcı olmaktadır.

With a special design and a multi-functional body, this product is more than a smart bench with solar panels. Through the ventilation fans, it cools the air. It enables to charge your phones and tablets while you can benefit from wi-fi. It accommodates itself to the environment and lightens the night. It also gives you the chance to reach large masses thanks to the design of a quadripartite billboard space.

Areas of Usage

- Parks and gardens
- Building complex areas
- Campus areas
- Tourist destinations
- City centers
- Sports centers

Technical Specifications

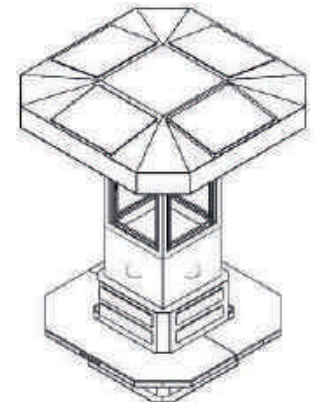

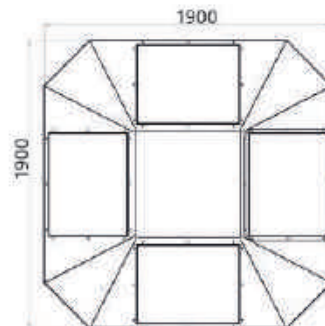

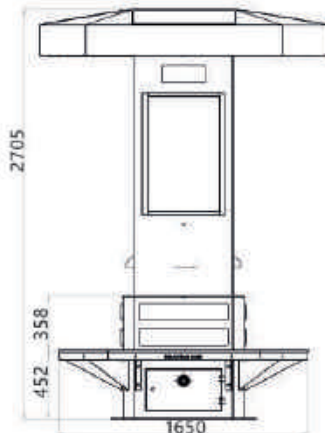

- Solar panels
- LED lighting
- 4 USB ports, 8 charging units
- Ad space
- Wifi
- Clock - Temperature

Kullanım Alanları

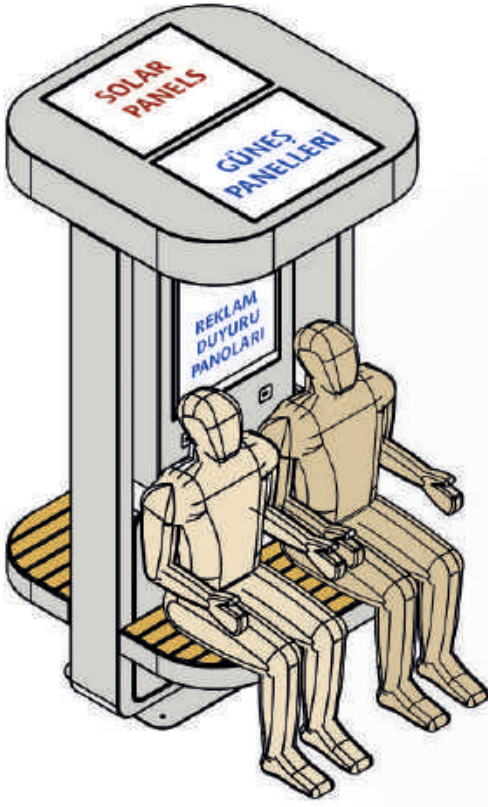

- Park ve Bahçeler
- Site Bahçeleri
- Üniversite Kampüsleri
- Turistik Yerler
- Şehir Merkezleri
- Spor Merkezleri

Teknik Özellikleri

- Güneş Paneli
- Led Aydınlatma
- 4 Adet USB Ünitesi, 8 Şarj Noktası
- Reklam Alanı
- Wifi, Saat, Derece

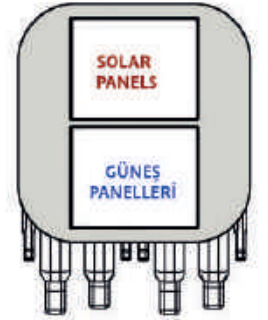

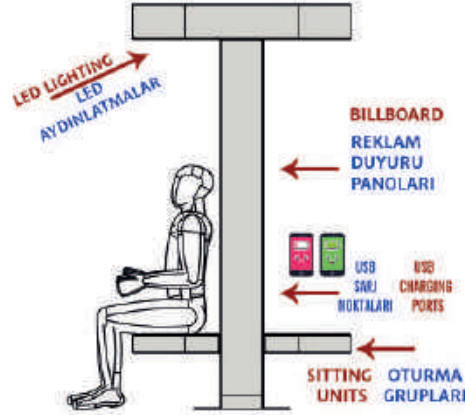

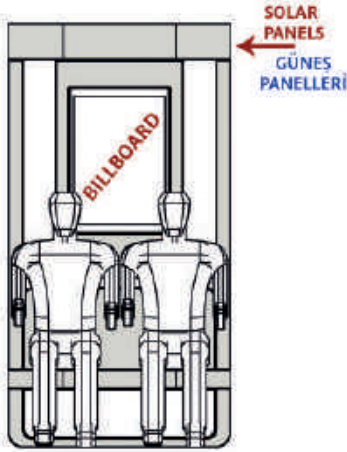

Hayatımızın ayrılmaz bir parçası haline gelen telefon ve tabletlerinizi, güneşten elde ettiğimiz tamamen doğal enerji ile açık alanlarda gece gündüz farkı olmadan şarj edebilirsiniz. Led aydınlatmalı, wifi paylaşımlı, şarj ünitesi bu çok amaçlı ürünümüzü yaşam alanlarınızın her yerinde 24 saat güvenle kullanabilirsiniz. Ayrıca üzerinde bulunan billboard alanını reklam veya sosyal projelerin duyurulması amaçlı da kullanabilirsiniz.

You can charge your mobile phones and tablets, which are an irreplaceable part of our lives now, day and night through this device. You can use this versatile product 24 hours a day for wireless internet, lighting and charging. It is also available for your social needs such as advertisements and announcements.

KAPANAN
MEKANİZMA

En az 6 kişilik oturma kapasitesine sahip Piknik Bank, tek parça iskelet yapısı ve otomatik kapanan oturma yüzeyleriyle hem dış ortam koşullarına dayanıklı hem de temizlik açısından konforludur. Bankın alt ve sırt yüzeylerine reklam vermek mümkündür. Park ve bahçelerde aile ve arkadaş gruplarının kaliteli zaman geçirmesine ortam hazırlarken kamu spotu ya da kişisel projelerinize bu reklam alanlarıyla dikkat çekebilirsiniz.

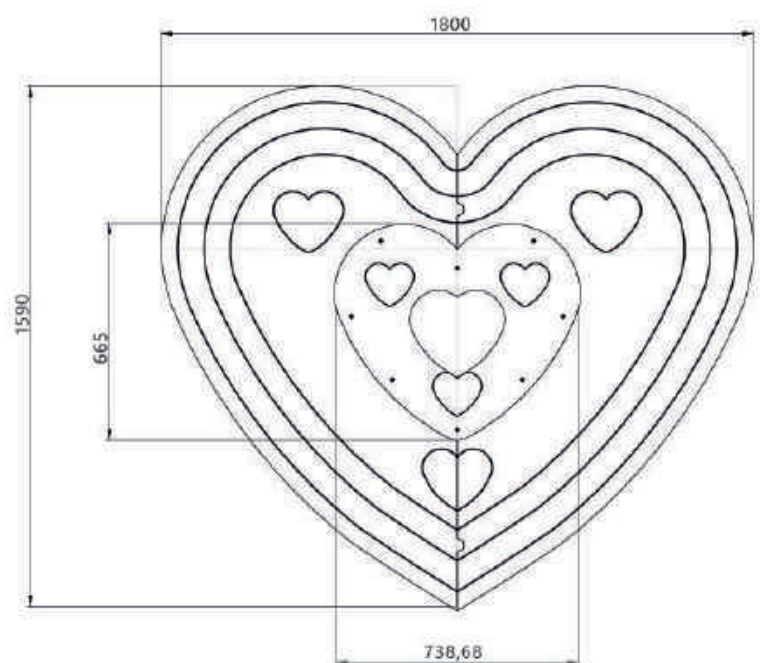

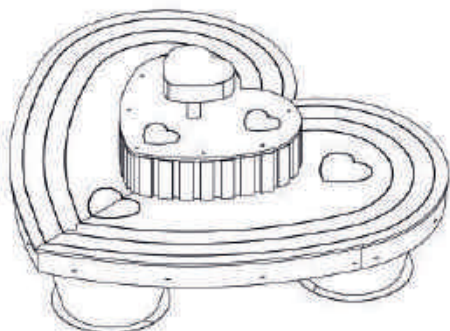

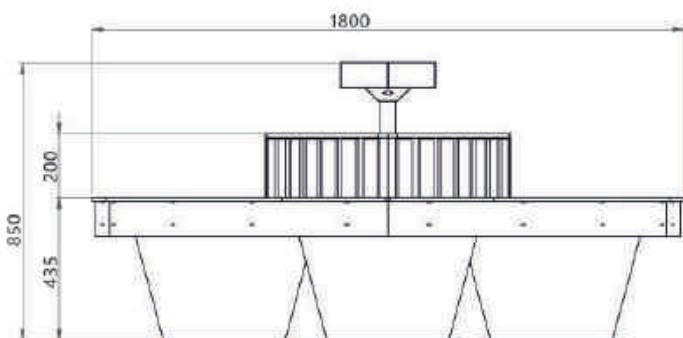

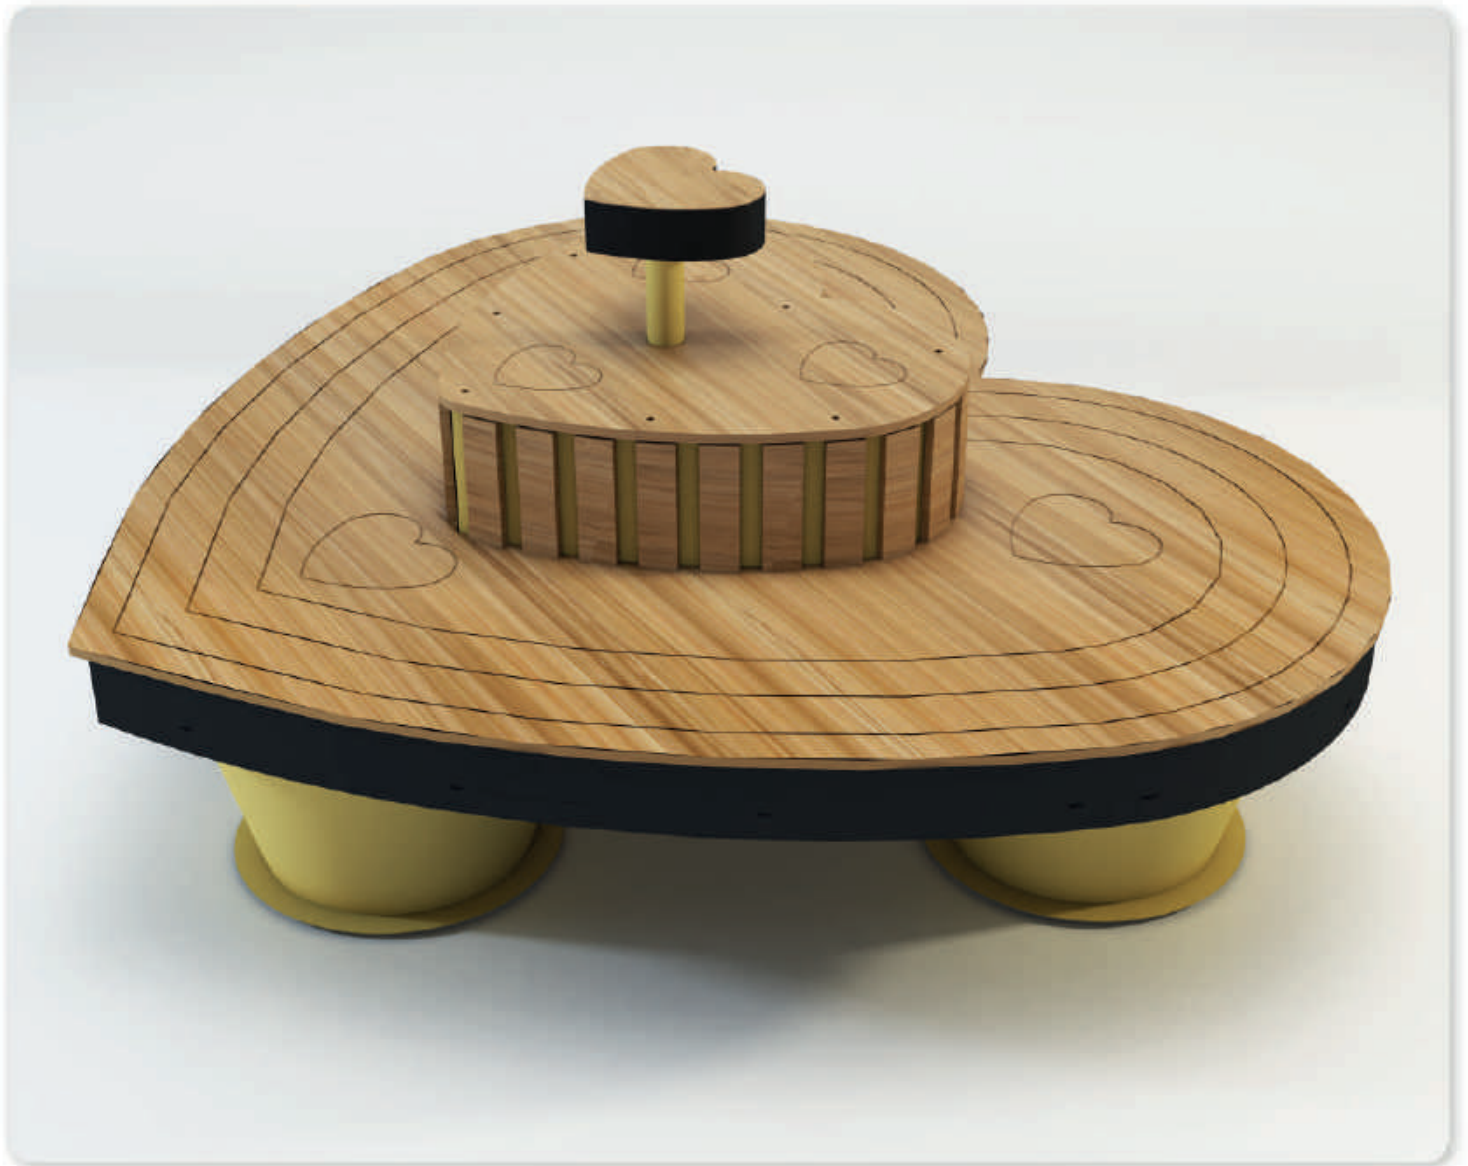

By the virtue of its monoblock skeletal structure and automatic shut-off sitting surfaces for up to 6 people, Picnic Bench is both comfortable and durable. It's possible to place an ad on the back and the bottom of the bench. In this way, while you are spending some quality time with your friends or your family, you might draw attention on your individual projects.
